

Concordia Lutheran Church

Confirmation

Parent Expectations

- ⌘ **Practice faithful Christian living.** Remember that the greatest witness of faith in any young person's life comes from his or her parents and other significant adults. Share stories of your own faith with your children. Invite your student to talk about what they are learning in their confirmation classes and engage with them in conversations about faith.
- ⌘ **Ensure class attendance.** Parents are responsible for getting their children to confirmation classes on time and picking them up after classes are done.
- ⌘ **Attend Worship** on a regular basis with your family. Remind your confirmation student to complete their worship notes and engage them in conversations about the sermons or other activities at church.
- ⌘ **Usher as a Family.** Consider signing up to usher together as a family for worship.
- ⌘ **Pray** for your son or daughter as your student grows in faith during this year of confirmation. Pray also for the entire confirmation class on a regular basis.
- ⌘ **Encourage and support** your student as they participate in all aspects of the confirmation program.
